These perience whether these roads are would in turn distribute it in pur- equal to others of a wider gauge in chases, and thus create a wide-spread carrying capacity, in ease, safety and prosperity. The condition of the comfort. While these roads may be South, as respects the employment of very valuable in some districts of capital and labor, is to be on an entirely different basis in the future. In exaggerated by over realous friends the days of slavery capital was invest- and advocates. We look with much ed in lands and in slaves to carry interest to the facts that will be develthem on. There was little money to oped, and hope the newspaper press spare in the erection of manufactor- will urge the appointment of delegates ies, and if there had been, there was of high character and practical knowlan insurmountable obstacle in the way edge, so that the whole country may of entering largely into manufactur- come into possession of actual facts, ing. It was the conflict between slave and not be compelled to rely upon labor and free labor. Slave labor was mere speculations and vague theories. unskilled, and, under slavery, it is alleged, incapable of attaining any high degree of excellence; free labor would not work, and so the South was confined mainly to the production of the raw material. that State. In a recent opinion he Now, however, the conditions are says that he will not undertake to dechanged; the old plantation system has passed away, and free labor maps cation of evidence before a coroner is out a new condition of things. There will be, more or less, a division of plantations. There will be a more nesses, which are not pertinent to the productive system of cotton culture, matter under investigation. \* \* \* We more bountiful crops and large cash will only remark that it is difficult to returns for them. It is not too much see how the public could be benefited advance in the prices of the rato say that the accumulated capital by giving publicity to statements of as material, and the Consequent APwill be liberally invested in manufacthat character, or upon what ground turing enterprises, chief of which will of public policy their publication is to tion southward and the natural increase of population will turnish an too far. For he virtually declares to abundance of labor, not only for the the press of Illinois that it shall be plantations, but for the mills. Now held answerable for the pertinency the arts of reproduction are in a rudi-mentary state; but with the spirit of ments of witnesses. The Chicago enterprise which will be gradu- Times is quite severe on the judge for ally introduced, there will come this decision, as well it may be, for it a time when the finest fabrics will is likely to be affected by it a little be produced in the midst of the more, perhaps, than any other Illinois plantations where the cotton is grown. journal. However, it says, that if the Wamsutta Mills 4-4 Bleached BRANNIN, SUMMERS & CO. LORISVILLE, Ry. The true interest of the South lies in supreme court "deems it advisable the encouragement of manufactures, that public journals shall undertake that she may retain within her own in addition to their own legitimate hands the profits upon the production duties, other duties of a high judicial of the raw material and upon the order, it is probable they will yield to manufactured goods, and that she the mandate until a healthful public may also save the freights that are sentiment revokes it."

UNHAPPY GOVERNORS.

now lost for want of skilled industry

The Republican party in the South may be forced to undertake the task count, be rejected as jurors. The Tenof reform even as Grant was driven into a quasi assent to the necessity. The governor of Texas has been indicted for knaveries he has practised legislature to do this. Therefore, it posed of seventeen Radicals and only nessee to give the sanction of statutory three Democrats. In fact, the fate of approval to the dictum of Judge Flip-Radical Southern governors, appoint pin. Referring to the fact that the ed by black loyal-leagues managed by jury laws of New York prohibit an carpetbaggers, is to be deplored. intelligent man from acting as a juror ns, is openly accused of their and is newspaper, the Golden Age, aptly presented for impeschment before his says: "Now, there has been a firstown legislature by an ex congressman class murder, we shall have the ediof his own party. Reed, who, without difficulty, has been carrying Flor. sin, prefaced by the usual difficulty of 8-4 Braws and Blezched Sheetings ida, as Clayton has Arkansas, in his finding a jury of twelve men who breeches-pocket for some years past, is impeached for high crimes and misgovernor of Georgia, is in exile—another Aristides of the latter-day abdomen, and no convictions on polisaintly sort. The forthcoming re- ties or religion, or anything else." port of the congressional commit. Such are the men who must serve on tee of investigation will show Juries in Tennessee, if Judge Flippin's EXTREMELY LOW FIGURES that Warmoth, of Louisiana, is order be not enforced. the boldest as he is the most abandoned of all the debauched thieves that have held satraples in the South. contest between Boles and Edwards, Powell Clayton, governor and United that the ejection of Edwards was the States senator, a minute-man wearing most remarkable event that ever octhe rebel cockade in 1861, and now the curred in the memory of the oldest sublimated quintescence of levalty, is member of congress. Mr. Boles, the impeached by his own partisan ad-contestant, had over two thousand herents before the Senate of the United majority, according to the evidence of States. He will be a very minute the State officers, who canyassed the man before the investigation of his vote. He has been robbed of one-half misdeeds is terminated. Holden, of his term of service in congress by whose political history is identical the gross outrage of Governor Claywith that of Clayton, was deposed, ton, who falsely certified that Edimpeached, and, like Bullock of wards was elected, in the face of the Georgia, is a fugitive from justice and official count. The house was of one G ant's table, the Dent family having had suffered, and not the least extrathe loaves and Cramer monopolizing ordinary feature of the case was that enough to be a Radical candidate for argument in his own behalf, failed to governor in this State, and the fact convince a single member, Republialmost consigned him to the peniten- can or Democratic, that he had any tiary. Three fourths of the jury that claim to the seat he occupied.
